

The Kingston and District Football League was formed in 1896 and at present have four divisions, thirty five Clubs and forty four teams. Matches are played on Saturday afternoons within a radius of approx eight miles from Kingston-upon-Thames.

Questionnaire for prospective new Clubs.

- 1) Name of your Club.....
- 2) Do you want Saturday afternoon football?
- 3) Ground and Location.....
- 4) Are you a new team starting up?
- 5) If “ no” what League are you at present playing in ?.....
- 6) Approx number of players.....
- 7) Have you had experience of running a club before?
- 8) Are you able to supply a referee if no referee appointed?

Listed below is the approx cost of running one team for a full season, we do continually get Clubs join the League who under estimate the cost involved and have to drop out mid way through the season because of lack of funds. We strongly suggest before making an application you are going to have funds available, if you going to play on local council pitches you would normally have to pay half the cost of the pitches at the start of the season and this together with League and County affiliation fees will come to around £1000. Many of our Clubs are sponsored by local firms or pubs and you should look into this if you are seeking funds.

9) Finances

- | | |
|--|-------|
| 10) Fees League/County (1 st season) | £300 |
| 11) Pitches approx 14/£70 | £1000 |
